Dear [Recipient Name],

I am pleased to recommend Babak Mahbaei, a former piano teacher at Golden Key Piano School. Having worked closely with Babak, I can confidently attest to his outstanding qualities as both a musician and educator.

Babak consistently demonstrated exceptional dedication to his students' musical growth. His commitment was evident through his flexibility in scheduling lessons and his adherence to our school's guidelines and policies with great professionalism.

One of Babak's standout strengths is his ability to connect with students on a personal level, tailoring his teaching approach to meet their individual needs and learning styles. His observant nature and adaptability have significantly enhanced the overall positive learning environment at Golden Key Piano School.

In addition to his piano expertise, Babak's proficiency in multiple instruments adds depth to his teaching, providing students with a comprehensive and enriching musical education.

I wholeheartedly recommend Babak Mahbaei for any position requiring a dedicated, skilled, and student-centered music educator. He is a valuable asset to the music community, and I wish him continued success in his future endeavors.

Please do not hesitate to contact me if you require any further information.

Warmly,

Katrin Arefy  
Founder and Artistic Director  
Golden Key Piano School
