To whom it may concern:

This letter is to verify that Pablo Schlesinger has been a regular correspondence student at the Dave Frank School of Jazz in NYC for the last three years. Pablo is one of the most advanced students I've had the opportunity to work with. He is proficient at piano technique, jazz theory and composition, and is a great improviser.

I believe that Pablo Schlesinger would be a great asset to your program. I highly recommend him for the position he is seeking at your university.

Don't let him get away!

Cordially,

Dave Frank
