To whom it may concern

This letter is a note of recommendation for Euphrosyne Kapodistria in her capacity as a piano teacher.

She has been teaching our two boys, now 12 and 15, for the over four years. During that time she has provided a most enriching and nurturing learning experience, guiding both boys to pass the ABRSM exams up to grade 3, and instilling in them strong skills and understanding of music, both playing and in music theory.

Not only is Euphrosyne a talented and passionate musician, but her obvious love of music, and of teaching that love to her pupils really marks her as an excellent teacher. She has always been punctual, cheerful, patient and understanding with the children. Even when they were struggling or lacked enthusiasm, she worked with them at their pace, easing them forward in a natural and empathic way.

We wholeheartedly recommend her as a piano teacher.

Yours Sincerely,

Bryan Wingfield (Director, UBS Investment Bank)
